

IDSOG

Annual Meeting History

(Year / Location / Officers / Research & Awards)

| Year | Location | Officers | Selected Research Topics & Awards |
|------|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------|
| 1974 | Gainesville, FL | | |
| 1975 | Los Angeles, CA | | |
| 1976 | San Diego, CA | | |
| 1977 | Iowa City, IA | Founding Directors: William J. Ledger (Los Angeles, CA) David Charles (St. Johns, Newfoundland) Gilles R.G. Monif (Gainesville, FL) Rudolph P. Galask (Iowa City, IA) Richard A. Schwarz (Philadelphia, PA) Philip B. Mead (Shelburne, VT) President – William J. Ledger | |
| 1978 | New Orleans, LA | President – William J. Ledger | |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|-------------------|-------------------------------------------------------------------------------------------------------|--------------------------------------|
| 1979 | Tubingen, Germany | President – David Charles | |
| 1980 | Washington, DC | President – David Charles | |
| 1981 | Kiawah Island, SC | President – Richard A. Schwarz | |
| 1982 | Lake Tahoe, NV | President – Richard A. Schwarz | |
| 1983 | Bahamas | President - Rudolph P. Galask | |
| 1984 | Asheville, NC | President - Rudolph P. Galask | |
| 1985 | Vancouver, BC | President – Marvin S. Amstey President Elect – Secretary – Treasurer – Council at Large - | |
| 1986 | Boston, MA | President – Marvin S. Amstey President Elect – Secretary – Treasurer – Council at Large - | |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------|
| 1987 | Glasgow, Scotland, UK | President – Philip B. Mead President Elect – Secretary – Treasurer – Council at Large - | |
| 1988 | Aspen, CO | President – Philip B. Mead President Elect – Secretary – Treasurer – Council at Large - | |
| 1989 | Quebec City, QC | President - Richard L. Sweet President Elect – Ron Gibbs Secretary – John Sever Treasurer – Council at Large - | |
| 1990 | Seattle, WA | President – Richard L. Sweet Past President – Phil Mead President Elect – Ronald Gibbs Secretary – John Sever Chairman-Membership Committee – Stanley Gall | |
| 1991 | Hamilton, Bermuda | President – Ron Gibbs President Elect – John Sever | |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | Secretary – David Eschenbach Treasurer – W. David Hager Council at Large – Phil Mead, Bernie Gonik | |
| 1992 | San Diego, CA | President – Ron Gibbs President Elect – John Sever Secretary – David Eschenbach Treasurer – W. David Hager Council at Large – Phil Mead, Bernie Gonik, Stanley Gall, Marvin Amstey | <ul style="list-style-type: none"> • HIV in Women (Pre-Meeting Symposium) • Group B Streptococcal Infections in Pregnancy |
| 1993 | Stowe, VT | President – John Sever President Elect – David Eschenbach Secretary – W. David Hager Treasurer – Sharon L. Hillier Council at Large – Susan M. Cox, William R. Crombleholme, Bernard Gonik, Philip B. Mead | <ul style="list-style-type: none"> • Introduction of new journal: <i>Infectious Diseases in Obstetrics and Gynecology</i> (Wiley) • The Prevention of Morbidity from Varicella in Pregnancy (Presidential Speaker, Philip A. Brunell, Cedars-Sinai Medical Center, Los Angeles) • Intrauterine Diagnosis of Fetal Infections (Symposium) • Appreciation for Service Award: Bernard Gonik |
| 1994 | Monterey, CA | President – John Sever President Elect – David A. Eschenbach Secretary – W. David Hager Treasurer – Sharon L. Hillier Council at Large – Susan M. Cox, William R. Crombleholme, Bernard Gonik, Philip B. Mead, Steven Witkin | <ul style="list-style-type: none"> • Perinatal HIV Infections • Use of the Placenta in the Understanding of Prenatal Infections (Presidential Speaker, Kurt Benirschke, UC-San Diego Medical Center) • Group B Strep and Pregnancy • Toxoplasmosis • Acyclovir as an OTC medication for genital herpes (FDA Public Hearing) |
| 1995 | Traverse City, MI | President – David A. Eschenbach President Elect – W. David Hager | <ul style="list-style-type: none"> • Microecology and Immunology: Lower Reproductive Tract (Symposium) • Best Abstract Award: The |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | Secretary – William R. Crombleholme Treasurer – Sharon L. Hillier Council at Large – Jorge Blanco, Dan Landers, James McGregor, Steven Witkin, Mara J. Dinsmoor | Frequency of HSV Seroconversion during Pregnancy and its Impact on Pregnancy Outcome (Zane A. Brown) <ul style="list-style-type: none"> • Best Young Investigator Abstract Award: <i>Induction of Cytokines and Nitric Oxide Synthase in a First Trimester Trophoblast Cell Line by Lipopolysaccharide</i> (David M. Svinarich) |
| 1996 | Beaver Creek, CO | President – David A. Eschenbach President Elect – Stanley A. Gall Secretary – William R. Crombleholme Treasurer – Sharon L. Hillier Council at Large – W. David Hager, Richard L. Sweet, Steven S. Witkin, John L. Sever, James McGregor | <ul style="list-style-type: none"> • Infections and Preterm Delivery (Symposium) • Prophylactic Antibiotics and Endometrial Microflora (Poster Presentation, Edward R. Newton) • Over-the-Counter (OTC) and Alternative Medicines (AM) in the Treatment of Chronic Vaginal Symptoms (Poster Presentation, Paul Nyirjesy) • Outstanding Contributions to the Field of Infectious Diseases Award: Rudolph P. Galask |
| 1997 | Las Croabas, Puerto Rico | President – W. David Hager President Elect – Secretary – Sharon Hillier Treasurer – Bernard Gonik Council at Large – Phillip B. Mead, Marvin S. Amstey, David Soper, David Eschenbach, James A. McGregor, Richard L. Sweet, W. Patrick Duff | <ul style="list-style-type: none"> • Group B Strep Resistance to Clindamycin and Erythromycin (Mark Pearlman) • E. Coli Acquisition During Pregnancy and Risk of Preterm Birth (Helen McDonald) • Best Abstract Award: <i>Hepatitis C Virus Infection in Pregnancy: Is Maternal Viral Burden Related to Vertical Transmission</i> (Neil S. Silverman) • Best Young Investigator Abstract Award: <i>High Vaginal Interleukin-8 Levels Among Women in Preterm Labor are Associated with Preterm Delivery</i> (Jane Hitti) |
| 1998 | Jackson Hole, WY | President – W. David Hager President Elect – Stanley A. Gall | <ul style="list-style-type: none"> • Immunization (Pre-Meeting Symposium) • Group B Streptococcus (GBS) (Symposium) |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | Secretary – Sharon Hillier Treasurer – Bernard Gonik Council at Large - John W. Larsen Jr., Larry C. Gilstrap III, David Baker, Mara J. Dinsmoor, Sebastian Faro, David E. Soper | <ul style="list-style-type: none"> • Best Abstract Award: <i>Interleukin-10 (IL-10) Inhibits Interleukin-1β (IL-1β) Induced Preterm Labor in Rhesus Monkeys</i> (Michael G. Gravett) • Best Young Investigator Abstract Award: <i>Apoptosis in Chorion Laeve of Fetal Memberanes with Histologic Chorioamnionitis</i> (Amy P. Murtha) • Distinguished Service Award: W. David Hager • Outstanding Contributions to the Field of Infectious Diseases in Obstetrics and Gynecology: John L. Sever |
| 2000 | Toronto, ON | President – Stanley A. Gall President Elect – Sebastian Faro Secretary – James A. McGregor Treasurer – David E. Soper Council at Large –David Baker, Larry C. Gilstrap III, John W. Larsen Jr., George D. Wendel Jr., M. Lynn Yonekura, D. Heather Watts | <ul style="list-style-type: none"> • Publication of <i>Protocols for Infectious Diseases in Obstetrics and Gynecology</i> (2nd edition) • Perinatal Infections & Neurologic Aberrations (Postgraduate Symposium) • Symptomatic Herpes Simplex Virus (HSV) at the Time of Labor and Cesarean Section (Oral Abstract) • Viruses infecting Vaginal Lactobacilli (Oral Abstract) • Epidemiology of Hepatitis C in an Urban Obstetrical Population: Relationship to Sexually Transmitted Diseases and Substance Abuse (Oral Abstract) • Best Abstract Award: <i>Symptomatic Herpes Simplex Virus (HSV) at the Time of Labor and Cesarean Section</i> (Carolyn Gardella) • Best Young Investigator Abstract Award: <i>Endometrial Microbiology in Women with Bacterial Vaginosis</i> (Harold C. Wiesenfeld) |
| 2000 | Lake Tahoe, NV | President – Stanley A. Gall President Elect – Sebastian Faro | <ul style="list-style-type: none"> • Diagnosis and Treatment of Postoperative Infections (Task Team Report) • Prevention of Perinatal Group B |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | Secretary – James A. McGregor Treasurer – David E. Soper Council at Large –David Baker, Larry C. Gilstrap III, John W. Larsen Jr., George D. Wendel Jr., M. Lynn Yonekura | Streptococcal Infection: Current Controversies (Task Team Report) <ul style="list-style-type: none"> • Diagnosis and Treatment of Vulvar Vestibulitis (Task Team Report) • Management of HSV Infection in Pregnancy (Task Team Report) • Management of Genital HPV Infection (Task Team Report) • Hepatitis B Infection in Pregnancy (Task Team Report) • Best Abstract Award: <i>The Effect of Human Neutrophil Peptides (Defensins) on Cyclooxygenase-2 Expression and Prostaglandin Production in Human Amnion Cells</i> (Phillip N. Rauk) • Best Young Investigator Abstract Award: <i>Periodontal Disease and Spontaneous Preterm Birth</i> (Kim Boggess) • Distinguished Service Award: Stanley A. Gall |
| 2001 | Quebec City, QC | President – Sebastian Faro President Elect – Sharon L. Hillier Secretary – David E. Soper Treasurer – Daniel V. Landers Council at Large – Charles Livengood III, D. Heather Watts, M. Lynn Yonekura, George D. Wendel Jr., Edward R. Newton, Michael G. Gravett | <ul style="list-style-type: none"> • Emerging Resistance in Infectious Diseases (Symposium) • Chlamydia Screening of Young Women: Update on the Current Practice and Interventions to Increase Screening (Presentation, Kathleen Irwin, CDC) • Management of Herpes in Pregnancy (Task Team Report) • Management of HIV in Pregnancy (Task Team Report) • Guidelines for the Diagnosis and Treatment of Postoperative Infections (Task Team Report) • Management of Genital HPV Infection (Task Team Report) • Best Abstract Award: <i>A Double-Blind, Randomized, Placebo-Controlled Trial of Acyclovir in Late Pregnancy for Reduction of Herpes Simplex Virus (HSV) Shedding and Cesarean Section</i> (D. Heather Watts) |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|-------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | | <ul style="list-style-type: none"> • Best Young Investigator Abstract Award: <i>Tumor Necrosis Factor-Alpha (TNF-Alpha) Concentration In Amniotic Fluid and Fetal Death In a Rabbit Model of Chronic Infection</i> (Mirjam Kunze) |
| 2002 | Banff, AB | President – Sebastian Faro President Elect – Sharon L. Hillier Secretary – David E. Soper Treasurer – Daniel V. Landers Council at Large – Charles Livengood III, D. Heather Watts, M. Lynn Yonekura, George D. Wendel Jr., Edward R. Newton, Michael G. Gravett | <ul style="list-style-type: none"> • Diagnostics (Symposium) • Vaginal Inflammation and Secretory Leukocyte Protease Inhibitor Among Women with Bacterial Vaginosis in Early Pregnancy: Response to Antibiotic Treatment (Jane Hitti) • Best Abstract Award: <i>A Trial of Intravaginal Lactobacillus Crispatus as an Adjunct to Metronidazole Therapy for Treatment of Bacterial Vaginosis</i> (Sharon L. Hillier) • Best Young Investigator Abstract Award: <i>Tumor Necrosis Factor-α (TNF-Alpha) Promoter Polymorphism -308 and Chorioamnionitis</i> (Hyagriv N. Simhan) |
| 2003 | Hyannis, MA | President – Sharon L. Hillier President Elect – David E. Soper Secretary – D. Heather Watts Treasurer – Mark D. Pearlman Council at Large – Kim A. Boggess, Jeffrey F. Peipert, Harold C. Wiesenfeld, Steven S. Witkin, Michael G. Gravett, Charles H. Livengood III | <ul style="list-style-type: none"> • Post Operative Infections in Ob-Gyn: Key Pathogens, New Antibiotics, and Research Gaps (Symposium) • Severe Acute Respiratory Syndrome (SARS) in an Obstetric Population (Presentation, Dr. Yudin) • Outcomes Associated with ART/HAART Use in HIV Infected Pregnant Women (Presentation, Dr. Money) • Viral Vaccines – HSV, HPV (Symposium) • Best Abstract Award: <i>Identification of Novel Peptides in Intraamniotic Infection by Proteomics</i> (Michael G. Gravett) • Best Poster Award: <i>Fusobacterium Nucleatum Induces Premature and Term Stillbirth in Pregnant Mice: Implication of Oral Bacteria in Preterm Birth</i> (Yiping W. Han) • Best Young Investigator Abstract Award: <i>The Effect of the Anti-Inflammatory Cytokine Interleukin-4</i> |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | | <p><i>on Lipopolysaccharide-stimulated Production of Prostaglandin E2 by Cultured Human Decidual Cells</i> (Hyagriv N. Simhan)</p> <ul style="list-style-type: none"> • Outstanding Contributions to the Field of Infectious Diseases in Obstetrics and Gynecology: Gale B. Hill |
| 2004 | San Diego, CA | <p>President – Sharon L. Hillier</p> <p>President Elect – David E. Soper</p> <p>Secretary – D. Heather Watts</p> <p>Treasurer – Mark D. Pearlman</p> <p>Council at Large – Kim A. Boggess, Jeffrey F. Peipert, Harold C. Wiesenfeld, Steven S. Witkin</p> | <ul style="list-style-type: none"> • New Diagnostics: Changing Paradigms (Symposium) • Characterization of Vaginal Microflora of Healthy, Non-Pregnant Women Using <i>Chaperonin-60</i> Sequence-Based Methods (Presentation, Dr. Money) • Incidence and Risk Factors for Bacterial Vaginosis (BV) in Women at High Risk for STD's (Presentation, Jane Schwebke) • Best Abstract Award: <i>Univalent GBS Vaccine Utilizing C5A Peptidase Encapsulated Within Biodegradable Polymeric Microspheres</i> (Stephen Hunter) • Best Young Investigator Abstract Award: <i>Detection of Intraamniotic Infection in a Rabbit Model by Proteomics-Based Amniotic Fluid Analysis</i> (Laura Klein) • Founder's Award: Richard H. Schwarz, Philip B. Mead, Gilles R.G. Monif, William J. Ledger, Rudolph P. Galask |
| 2005 | Charleston, SC | <p>President – David E. Soper</p> <p>President Elect – D. Heather Watts</p> <p>Secretary – Mara Dinsmoor</p> <p>Treasurer – Michael Gravett</p> <p>Council at Large – Kim A. Boggess, Jeffrey F. Peipert, Harold C. Wiesenfeld, Steven S. Witkin, Kevin A. Ault, Paul</p> | <ul style="list-style-type: none"> • Prevention of Neonatal Transmission (Symposium) • An Evaluation of a Rapid Real-Time PCR for Group B Streptococcus Detection in Pregnant Women in Labour (Presentation, Dr. Money) • Best Abstract Award: <i>Effect of Vaginal Flora on HIV RNA Concentrations in Cervicovaginal Lavage</i> (Jane Hitti) • Best Young Investigator Abstract |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | Nyirjesy | <p>Award: <i>17-α Hydroxyprogesterone (17P) Abrogates Downstream Toll-Like Receptor (TLR) Signaling but not TLR Gene Expression in Human Decidual Cells</i> (Hyagriv Simhan)</p> <ul style="list-style-type: none"> • Outstanding Contributions Award: James A. McGregor |
| 2006 | Monterey, CA | President – David E. Soper President Elect – D. Heather Watts Secretary – Mara J. Dinsmoor Treasurer – Michael G. Gravett Council at Large – Kevin A. Ault, Paul Nyirjesy | <ul style="list-style-type: none"> • Birthing an Immunization Program: A Patient Safety and Quality of Care Imperative (Symposium) • Determination of the Presence of Hepatitis C Virus in Breast Milk (Presentation, Dr. Money) • Best Abstract Award: <i>Rapid, Accurate Screening for Group B Streptococcal (GBS) Colonization Using the Cepheid GeneXpert GBS Assay</i> (Rodney K. Edwards) • Best Young Investigator Abstract Award: <i>The Effect of Intrapartum Antibiotics on Vaginal Group B Streptococcus Colony Counts</i> (Anna R. McNanley) • Outstanding Contributions Award: Richard L. Sweet |
| 2007 | Boston, MA | President – D. Heather Watts President Elect – Michael G. Gravett Secretary – Deborah Money Treasurer – Jeffrey Peipert Council at Large – Kevin A. Ault, Carolyn Gardella, R. Phillips Heine, Abner P. Korn, Paul Nyirjesy, Dorothy L. Patton | <ul style="list-style-type: none"> • HIV Prevention Strategies (Symposium) • New STD Diagnostics (Symposium) • Best Abstract Award: <i>Protective Effect of Type Specific IgG Serum Antibody on Vaginal Acquisition of Group B Streptococci</i> (Sharon L. Hillier) • Best Young Investigator Abstract Award: <i>Association Between Genital Tract White Blood Cells and Viral Shedding among HIV-Infected Women in the Absence of Genital Infections</i> (Breana L. Anderson) |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|--------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2008 | Seattle, WA | President – D. Heather Watts President Elect – Michael G. Gravett Secretary – Deborah Money Treasurer – Jeffrey Peipert Council at Large – Carolyn Gardella, R. Phillips Heine, Abner P. Korn, Dorothy L. Patton, Linda O. Eckert, Jack Sobel | <ul style="list-style-type: none"> • Reproductive Infectious Disease Fellowship Training (Symposium) • Perinatal Outcomes in a Cohort of HAART Treated, HIV Positive Pregnant Women (Presentation, Dr. Money) • Pandemic Influenza and the Impact on Pregnant Women – Both from the Disease and Prevention Aspects (Presentation, Richard Beigi) • Best Abstract Award: <i>Cumulus Cells Mediate the Adverse Effect of Lipopolysaccharide on the Oocyte</i> (Anuradha Goud) • Best Young Investigator Abstract Award: <i>Timing is Everything: Antibiotic Prophylaxis for Cesarean Section Prior to Skin Incision Versus Following Umbilical Cord Clamping</i> (Stephanie Owens) |
| 2009 | Montreal, QC | President – Michael Gravett President Elect – Deborah Money Secretary – Jeffrey Peipert Treasurer – Richard Beigi Council at Large – Carolyn Gardella, R. Phillips Heine, Abner P. Korn, Dorothy L. Patton, Linda O. Eckert, Jack Sobel | <ul style="list-style-type: none"> • STI Symposium • Subtle Perturbations of Genital Microflora Alter Immunity Among Low Risk Pregnant Women (Presentation, Breena Anderson) • Characterization of Bacterial DNA in Fetal Membranes from Preterm Premature Rupture of Membranes (Presentation, Meghan Donnelly) |
| 2010 | Santa Fe, NM | President – Michael Gravett President Elect – Deborah Money Secretary – Jeffrey Peipert Treasurer – Richard Beigi Council at Large – Carolyn Gardella, R. Phillips Heine, Abner P. Korn, Dorothy L. Patton, Linda O. Eckert, Jack Sobel | <ul style="list-style-type: none"> • STD/HIV Prevention Symposium • Influenza in Pregnancy (Presentation, Denise Jamieson, CDC) • Preliminary Characterization of the Core Vaginal Microbiome in Healthy Women Using Culture Independent Methods (Poster Presentation, Dr. Money) • Identification of Pregnancies at Risk of Hepatitis B Vertical Transmission (Poster Presentation, Dr. van |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | | Schalkwyk) |
| 2011 | Chicago, IL | President – Deborah Money President Elect – Jeffrey Peipert Secretary – Richard Beigi Treasurer – Carolyn Gardella Council at Large – Brenna Anderson, Suzanne Garland, Jeanne Marazzo, Amy Murtha, Neil Silverman, Mark Yudin | <ul style="list-style-type: none"> • Factors Associated with HPV Presence and Persistence in the HPV Vaccine in HPV Study (CTN236) (Presentation, Dr. Money) • Probiotic Lactobacilli during Pregnancy – Is there a role? (Presidential Lecture, Dr. Alan Bocking) • Best Abstract Award: <i>The Impact of HAART on the Progression of the HPV Infection and Cervical Cytopathology in HIV Positive Women</i> (Joanna Baxter) • Best Young Investigator Abstract Award: <i>Identification and Relevance of Subtypes of Gardnerella Vaginalis Defined by CPN60 Universal Target Sequences</i> (Teenus Paramel Jayaprakash) |
| 2012 | Whistler, BC | President – Deborah Money President Elect – Jeffrey Peipert Secretary – Richard Beigi Treasurer – Carolyn Gardella Council at Large – Brenna Anderson, Suzanne Garland, Jeanne Marazzo, Amy Murtha, Neil Silverman, Mark Yudin | <ul style="list-style-type: none"> • HIV and Hormonal Contraception: Controversies and Gaps (Presidential Lecture, Dr. Catherine Hankins) • Bacterial Vaginosis and Trichomoniasis – New Diagnostics and Therapeutic (Presentation, Jane Schwebbe) • Best Abstract Award: <i>A Prospective Cohort Study Comparing the Effect of Single-dose 2g Oral Metronidazole on Trichomonas Vaginalis Infection Among HIV-seropositive and HIV-seronegative women</i> (Jenifer Balkus) • Best Young Investigator Abstract Award: <i>Improving Influenza Vaccination Rates in Pregnancy: a Randomized Controlled Trial of Text Messaging to Increase Vaccine Uptake</i> (Michelle Moniz) • Lifetime Achievement Award: Heather Watts |

| Year | Location | Officers | Selected Research Topics & Awards |
|------|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2013 | Santa Ana Pueblo, NM | President Jeffrey Peipert, MD, PhD President-Elect Richard Beigi, MD Secretary Carolyn Gardella, MD, MPH Treasurer R. Phillips Heine, MD Past President Deborah Money, MD Council Member Brenna Anderson, MD Council Member Suzanne Garland, MD Council Member Deborah Cohan, MD, MPH Council Member Jill Davies, MD Council Member Udo Hoyme, MD Council Member Jeanna Piper, MD Council Member Geeta Swamy, MD | <ul style="list-style-type: none"> • |
| 2014 | Stowe, VT | President Jeffrey Peipert, MD, PhD President-Elect Richard Beigi, MD Secretary Carolyn Gardella, MD, MPH Treasurer R. Phillips Heine, MD Past President Deborah Money, MD Council Member Deborah Cohan, MD, MPH Council Member Jill Davies, MD Council Member Linda Eckert, MD Council Member Udo Hoyme, MD Council Member Jeanna Piper, MD Council Member Geeta Swamy, MD | <ul style="list-style-type: none"> • Best Abstract: <i>Preventing Vaginal Infections Using Periodic Presumptive Treatment with Intravaginal Metronidazole and Miconazole: Findings from a Randomized, Double-Blind Trial (The PVI Trial)</i> R. Scott McClelland, MD, MPH • Young Investigator Award: <i>Incidence of Mycoplasma genitalium Infection among Kenyan and US Women Participating in the Preventing Vaginal Infections Trial</i> - Jennifer Balkus, PhD, MPH |
| 2015 | Portland, OR | 2014-2016 IDSOG Officers President President-Elect Secretary Past President Council Member Council Member Council Member Council Member Council Member Council Member Richard Beigi, MD, MSc Carolyn Gardella, MD, MPH R. Phillips Heine, MD Jeffery Peipert, MD, PhD Deborah Cohan, MD, MPH Jill Davies, MD Linda Eckert, MD Udo Hoyme, MD Jeanna Piper, MD Geeta Swamy, MD | <ul style="list-style-type: none"> • Best Abstract: <i>Metabolic Signatures of Bacterial Vaginosis</i> - Sujatha Srinivasan, PhD • Young Investigator Award: <i>Development of a dual-chamber gestational membrane explant system to investigate inflammatory response to bacterial presence</i> - Lauren Sayres, BA |

| Year | Location | Officers | Selected Research Topics & Awards |
