## **WELCOME MESSAGE**

Dear Industry Colleague,

On behalf of Dr. Gweneth Bratton Lazenby, President of the Infectious Diseases Society for Obstetrics and Gynecology (IDSOG), Dr. Kimberly Fortner, Program Chair, and our entire Board of Directors, we are excited to invite you to the 2025 IDSOG Annual Meeting at The Renaissance Minneapolis Hotel, The Depot, Minneapolis, MN, USA from July 17-19, 2025.

We are thrilled to be able to meet and have organized a course for clinicians interested in the field of women's health. The IDSOG Annual Meeting is a scientific and educational gathering for clinicians and investigators who care for and study the epidemiology, pathophysiology, prevention, management, and impact of infectious diseases in women. The Annual Meeting provides participants with the tools they need to be advocates and providers in their community and features sections on social determinants of reproductive health and infectious diseases, vaccine hesitancy and mitigation, tuberculosis in pregnancy, and a great debate on screening/treatment of infectious diseases in women. We will present again the IDSOG "Stump the Professors" cases. And of course, our meeting will provide ample time for renewing friendships, developing collaboration, networking, mentorship, and the always fun, Friday evening Awards Ceremony/Dinner complete with DJ and dancing!

We expect more than 200 attendees to join us in Minneapolis, MN, USA. Through events such as the Annual Meeting, IDSOG provides opportunities for scholars, researchers, and practitioners to learn from one another and take back to their practices and communities their new knowledge. Accurate and scientific education is one of the best ways to advocate for and advance women's health.

IDSOG recognizes the importance of industry partners. Just as you continue to make changes to improve the clinician and patient experience with your products, so, too, does IDSOG update and adapt its education to ensure that those that attend our meetings and courses are exposed to the best possible information. We find that attendees return to our meeting year after year to glean new content and delve deeper into the learning experience. Industry support and sponsorships are essential to make possible our courses and the many other scientific activities of our society. We would be thrilled to offer our members an engaging industry sponsored symposia focused on contemporary infectious disease diagnosis and management.

Please review the enclosed prospectus carefully. IDSOG is appreciative of any support and/or sponsorship you may provide. If you have any questions or concerns, please do not hesitate to contact the IDSOG Executive Office at [meeting@idsog.org](mailto:meeting@idsog.org).

We look forward to receiving your commitment and working together at the 2025 IDSOG Annual Meeting.

**On behalf of the IDSOG Board of Directors, we thank you in advance for your consideration and support!**
